Mares must be pregnancy scanned between 15 and 21 days after ovulation, and the result must be reported to Hengstenhouderij van Nunen immediately after. The remaining amount for the covering + other expenses will be invoiced when the mare is pregnant +15 days. Payment period of 14 days.

Re-covering

In the case of stillborn (or death within 24 hours after birth) there is a right to free re-covering in 2025, in return for payment of shippingcosts and a new booking fee of €300.

The re-covering may not be sold, transferred to/or used by others and is only valid as long as the stallion is available at the EU station.

Fresh semen

We work with fresh semen. If a stallion for a reason (illness, injury, etc.) not available is at short time during the breeding season, we offer you the use of another stallion. The bookingfee is also non-refundable in this case.

The mare owner guarantees that the mare/foal has not been in the vicinity of other horses with or symptoms of druse for the past 3 months.

Hengstenhouderij van Nunen does not accept any liability for damage, illness (druse, CEM/EVA, rhino etc.) and/or injury to people, animals, means of transport or otherwise. Horses are handled, covered & stabled at owner's risk. The mare owner is responsible for all possible costs.

Hengstenhouderij van Nunen does not accept any liability for slow or (too) late delivery of the ordered semen.
